BISHOP, CA—The Eastern Sierra Land Trust (ESLT) is proud to announce that Karen Ferrell-Ingram has been promoted to Executive Director, assuming leadership of the local public-benefit organization in mid-October. Ms. Ferrell-Ingram is a founding board member of the local land trust, and has been employed by the ESLT as Lands Director for the past three and a half years. Board President Tony Taylor stated, “Karen has been a tremendous asset to the ESLT from our very beginning – as a board member, a committed volunteer, as Lands Director, and now as our Executive Director. She has passionately supported and energized our work and has been a critical part of our success.” Ms. Ferrell-Ingram, who was raised in Bishop, commented that “I’m very grateful to be able to work with local landowners and others to help keep this place as beautiful and productive as I remember it as a kid. My husband and I feel lucky to make our home in the Eastern Sierra in a great community.” The Eastern Sierra Land Trust works with willing landowners to preserve special open spaces, farm and ranchland, and wildlife habitats for future generations and our local communities.
